Zhejiang Huayou Cobalt Releases Results For The Third Quarter of 2024

Tongxiang City, China, October 19, 2024

Zhejiang Huayou Cobalt Co., Ltd. (“the Company”) today released its results for the third quarter of 2024.

Key Operating Information

During the Reporting Period (July to September 2024), the Company’s operating income was RMB 15,437,871,842.91, representing a decrease of 13% as compared to the corresponding period of the previous year. The decrease in operating income was mainly due to the adjustment of product structure and fluctuation in metal price.

At the end of the Reporting Period (30 September 2024), the total assets of the Company were RMB 132,238,379,285.85, representing an increase of 5.35% as compared to the end of the previous year (31 December 2023). The increase in the total assets was mainly due to the increase in projects under construction and overseas investments. The net assets attributable to shareholders of the listed company were RMB 35,684,613,196.91, representing an increase of 4.10% as compared to the end of the previous year (31 December 2023). The increase in the assets attributable to shareholders of the listed company was mainly due to the growth in net profit attributable to the parent company and implementation of the FY 2023 equity distribution.
